Report by Town Chairman

Chair Sharon Douglas stated that she had included a detailed report that was sent out with the tax bills. She added that the winter had not been bad this past year. Sharon Douglas reported that the main focus for 2018 will be doing crack filling on various roads, chip sealing on Creek Road from State 140 to Carvers Rock Road and on Reid Road. Areas for paver repair will be on Larsen Road, Scott Street along with an elliptical, aluminized steel culvert with apron ends for proper drainage, B-C Townline Road, Waite Road from the junction of Carvers Rock Road west to the new culverts along with a culvert to facilitate water drainage, Creek Road at the intersection of Reid Road along with the placement of a culvert for proper drainage and the turn radius on the east side of the intersection will be increased. She added that she had the bid notices along with the schematics and spec sheets that were done by Ron Duffy if anyone wanted to see them.

Chair Sharon Douglas thanked Town Board Members Sandra Clarke, Jill Bier Sarah Pope, Loren Bobolz and Ben Wellnitz and Constable Chuck Stevenson. She added that she especially wanted to

thank Ron Duffy for meeting with her and the contractors and doing the roadwork schematics and spec sheets where otherwise they would have needed to hire an engineer for some of the projects. Sharon Douglas stated that she wanted to thank all the volunteers, Bill Clarke, Richard Kuhlow, Josh Hargarten, Lucas Hargarten, and especially Ben Wellnitz and his family, Wayne and Sara Douglas and to others she was not aware of. She added that the volunteers give their free time to do tasks that the Town would otherwise have to pay for.
