# 7.0 Agricultural, Natural & Cultural Resources

## Table of Contents

**Introduction ..... 1**

**Agricultural, Natural & Cultural Resources Vision ..... 1**

**Agricultural Resources ..... 1**
Long-Term Sustainability of Framing ..... 2
Conservation-Based Development ..... 2
Land Trusts and Conservation Easements ..... 3
Specialty Farming ..... 3

**Natural Resources ..... 4**
Geology and Topography (5)
Streams and Lakes (5)
Rock River Watershed (7)
Rock Prairie (7)
Environmental Corridors (8)
Groundwater (9)
Wetlands and Floodplains (9)
Woodlands (10)
Other Significant Natural Features (11)
Threatened and Endangered Species (11)
Exotic and Invasive Species (11)
Non-Metallic Mining Resources (11)
Air Quality (12)
Soils (12)
Natural Features Map (13)
Soils Map (14)
Productive Agricultural Soils Map (15)
Building Suitability Map (16)
Sanitary Suitability Map (17)

**Cultural and Historical Resources ..... 18**
Cultural Resources ..... 18
Historical Resources ..... 18
Certified Local Government Program ..... 19

**Agricultural, Natural & Cultural Resources Issues and Concerns ..... 20**
Sustainability Farmlands and Natural Areas ..... 20
ATCP51-Livestock Siting Rule ..... 21
Loss of Habitat for Unique Species ..... 21
Preservation of Surface Water Quality ..... 22
Protection of Groundwater ..... 23
Preservation Tax Incentives ..... 23

**Coordination with Other Comprehensive Plan Chapters ..... 24**
Land Use ..... 24
Housing ..... 24

**Agricultural, Natural, and Cultural Resources Goals, Objectives and Policies ..... 24**
