### **Creek Road Bridge Replacement to be discussed at January 24<sup>th</sup> information meeting**

Planned replacement of a bridge located on Creek Road over the Wisconsin and Southern Railroad located in Section 26, T-02-N, R-14-E, Town of Bradford, Rock County, will be discussed at a public informational meeting on Thursday, January 24, 2019, the Rock County Highway Department announced today.

The meeting will be held from 6:00 PM to 7:00 PM at the Town of Bradford Town Hall, located at 3622 S. Carvers Rock Road, Avalon, WI 53505.

The Rock County Highway Department and Town of Bradford are proposing to replace the bridge carrying Creek Road over the Wisconsin and Southern Railroad and to reconstruct approximately 0.44 miles of Creek Road and 0.13 miles of Hofstrom Road. The project begins 1050 feet southwest of the existing structure and continues 0.44 miles northeast. Hofstrom Road will also be reconstructed beginning at the Creek Road/Hofstrom Road intersection continuing 800 feet east along Hofstrom Road. The purpose of the proposed project is to replace a deficient bridge. Creek Road will be closed to through traffic during construction operations. No detour will be posted. Alternate routes are available. Rock County and the Town of Bradford welcome comments on the proposed road closure at the meeting. Construction is currently scheduled for 2020.

The January 24<sup>th</sup> meeting will be conducted in an open house format with a variety of exhibits and maps available for review. Representatives from Jewell Associates Engineers, Inc. will be on hand to answer questions throughout the evening. Attendees will have the option of making written or verbal comments during the gathering.

Persons who are unable to attend on January 24<sup>th</sup> can contribute comments about the project by contacting Ellery Schaffer, P.E. at:

Jewell Associates Engineers, Inc.
